1. When Angels will be free

When I look into the distance I see angels;
waiting silently as if within a trance;
for the moment when you put down your protection;
for the day when you will take another chance.

And I know the pain is more than you can bare now;
there's a reason for it all, what can it be?
Just remember who you are and where you're go'in;
for the day will come when angels will be free.

Refrain:
Don't be afraid to fall, you know I'll hold you.
Just hear the inner call, you know I care.
Your star is shining bright, so let it guide you.
Don't be afraid to love; live your life now.

la de da de da de de de de da... (etc.)

Ah, when angels will be free...

Refrain:
Don't be afraid to fall, you know I'll hold you.
Just hear the inner call, you know I care.
Your star is shining bright, so let it guide you.
Don't be afraid to love; live your life now.

What you are inside is all that really matters;
and there is just so much to the degree
So put on your brightest smile, and live forever
for the day will come when angels will be free.
