

Numberation

Information contained in figure 1 is used throughout this text. The student should become familiar with this identification system before completing study of section V.

This is the only photograph in MOM that is not hand. Obviously, I am not that hairy. If you must know why, I was late for the photo session. To all amateur palm readers who were predicting my demise and lack of good fortune: Sorry to disappoint.

Ball numbering system used in this text is shown below.
